

Chamber of Commerce presents Over 200 Great Gift Ideas for Under \$50!

In a continued effort to boost our local economy, the Oxford-Lafayette County Chamber of Commerce presents the 9th annual "Shop Oxford" campaign. This program is an outreach effort designed to reintroduce those shoppers who may have gone elsewhere, as well as attract new shoppers, to the large variety of local merchants we have right here in our hometown.

Not only will the customers learn more about the impressive array of items offered locally, the merchants will benefit from increased sales, and in turn increase the money invested back into the community. The community-friendly atmosphere of Oxford can be attributed not only to the men and women who work hard to maintain the city's culture, but to the average citizen who keeps their tax dollars at home by shopping locally rather than traveling to do their shopping, especially during the upcoming Christmas season.

OXFORD-LAFAYETTE COUNTY
